Dear Parents and Carers

The sun has finally arrived!

It has been a very hot week in most parts of our school buildings. We have reminded children to always have their water bottles and sun hats with them and to have sun cream on now that it is much sunnier. At lunchtimes we do have a number of trees and shady spots in the playground, but a hat is really helpful in keeping your child as cool as possible.

Year 6

This week our Year 6 children have been in Swanage on their residential trip. I have heard they have been having a great time doing a whole host of activities, developing team building, resilience and enjoyed trips to the beach...they couldn't have had a better week with the weather! The children are due back early this evening and we are all looking forward to hearing what a great time they had on their return. A special thank you to the teachers and support staff who have given up their week with their own families to support the children. The staff do these trips voluntarily and we are really grateful that they can still go ahead with their generosity.

Year 6 transition days

Next week some of our year 6 children will be visiting their new schools for the day! This is a really exciting time for year 6 and we hope they have a fabulous day getting to know their new school and meeting new friends.

Reception, Year 1, Year 2 and Year 3 Sports Day

Next week we are really looking forward to seeing all of our families supporting their children at Manor House Gardens for their sports day. If you have offered to help walk the children to the park, then please make sure that the school office know.

Please make sure that children have plenty of water and sun cream on and a hat. All children will return back to school when the event finishes and you can collect them at the usual time. Children will be put into teams to help organise the event. They are welcome to wear the colour of the team, but please do not feel they have to and do not buy anything new!

Can I also ask that parents do not bring dogs to the event please.

Reminder:
School closed on
Monday 1st July for
teacher training day.

Classes for academic year 2024-25

Next week we will send communication to you about which teacher your child will have for the next academic year. As usual, we mix our Reception classes now that we know them well and parents and carers of children in Reception will receive an envelope with your child's teacher in. Reception parents and carers have already been informed about the process.

We want the children's transition to be as successful as possible and therefore plan several sessions for the children to meet their new teacher and visit their new classroom. Next week, the children's teacher will say hello to them. We then have three planned transition sessions which will take place on:

Tuesday 9th July

Monday 15th July

Thursday 18th July

Children will also bring home a transition sheet with more information for you about which classroom they will be in and the name of their class.

Inset Day Monday 1st July

Please be reminded that Monday 1st July (next week) is a teacher training day (Inset Day) and the school is not open for children. Our staff will spend time at Brindishe Green school working with colleagues from their year groups and developing their knowledge around the English curriculum.

We look forward to seeing the children on Tuesday 2nd July between 8:35-8:45am

Attendance

As we approach the end of the school year it is important for me to remind you that holidays inside of term dates will not be authorised. If you are planning to take your child on an unauthorised holiday then you need to inform us via the absence request form that you can find on our website so our processes with the local authority can be followed.

Overall school attendance this week:	95.%	
Top 5 classes with attendance over 95%: A huge well done to Kusama 100% attendance this week	Kusama Yousafzai Latimer Thunberg Attenborough	100% 99% 98% 98% 98%
Top classes with all children in on time	Jeffers, Rashford, Kusama Huge well done to them all 😊	

**Monday 1st July - All schools
closed to all children.**

Federation Choir Delight!

Last Thursday, over 100 children and parents/carers joined together for our annual Federation Choir Performance. Each choir had rehearsed all year their own individual song, as well as a joint rendition of 'We Are The World'. The younger children in KS1 beautifully and skilfully performed rounds within their songs and KS2 children sang their harmonies effortlessly. From Toy Story's 'You Got A Friend In Me' to WWII classic 'In The Mood', it was spectacular. It was lovely to see children from Brindishe Green, Brindishe Manor and Brindishe Lee join together to sing and parents/carers from across our federation join together to appreciate our fantastic choirs. Thanks to all the teachers who supported the choir from all three schools and a special mention to Ms Cliftlands from Brindishe Green for co-ordinating the whole event and the logistics on the day with the help of the premises team and IT.

Weekly Online Safety Bulletin WhatsApp Warning

Whilst WhatsApp has an age rating of 13+ (recently lowered from 16), a BBC investigation has found that children as young as nine have been added to WhatsApp groups and seen inappropriate content.

If your child is using WhatsApp, check their group settings as by default, group privacy settings are set to 'everyone,' which means anybody can add your child to a group without their approval.

You can change this setting to 'My Contacts' so only contacts can add them to groups without their approval and if somebody who is not a contact wants to add them to a group then they will need to send them an invite.

You should talk to your child about the risks of joining groups and show them how to use the reporting/blocking tools.

**You can find out more about the BBC investigation here:
<https://www.bbc.co.uk/news/articles/cy0l4z8n1p9o>**

LESSONS & COURSES FOR KIDS

Give your child the best start in life by enrolling in a lesson or course at Better. Not only will they have fun and meet new friends, it will also boost their self-esteem, communication and improve those all-important life and movement skills.

Led by a team of fully qualified staff, your little ones will learn a range of new skills in a positive and friendly environment. You'll find a range of lessons and courses on offer, including their extensive [gymnastics](#) programme and award-winning [swim school](#).

Right Respecting

Gypsy, Roma and Traveller History Month

Every June since 2008, people from across the UK have celebrated Gypsy, Roma and Traveller History Month. Through celebration, education and raising awareness, Gypsy, Roma and Traveller History Month helps tackle prejudice, challenge myths and amplify the voices of Gypsies, Roma and Travellers in wider society.

This year the theme for Gypsy, Roma and Traveller History Month is 'What Makes a Home?'

Article 2 (non-discrimination): The Convention applies to every child without discrimination, whatever their ethnicity, gender, religion, language, abilities or any other status, whatever they think or say, whatever their family background.

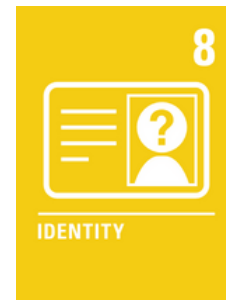

Article 8 (protection and preservation of identity):

Every child has the right to an identity. Governments must respect and protect that right, and prevent the child's name, nationality or family relationships from being changed unlawfully.

Article 30 (children from minority or indigenous groups): Every child has the right to learn and use the language, customs and religion of their family, whether or not these are shared by the majority of the people in the country where they live.

***This year's theme for Gypsy, Roma and Traveller History Month is 'What Makes a Home?'.
What do you think is needed for a place to feel like home?***

- You feel safe there.
- You know where everything is around you and locally.
- The people there matter to you.
- It's where you feel you belong.
- You feel comfortable there and can be yourself.
- You can enjoy your right to relax and leisure.
- It's where you feel connected and have memories.

Children all over the world and in our Brindishe Schools are very different, but they also have a lot in common. Where you are from or where your parents or grandparents are from? Discuss with your child at home and [watch this clip](#) of 'Welcome to Our World' by Moira Butterfield and celebrate the cultural backgrounds of all children in your child's class and in your families.

Public Health Briefing - Measles

Since 1st October 2023 there has been an increase in measles cases across England. In London, there has been an increase in cases since December 2023, with a very large increase in cases over March and April 2024. The UKHSA has been notified of over 600 cases across London, and over 85% of these were unvaccinated. Ninety cases of measles have been confirmed in South East London.

In readiness for any significant increases in cases locally, we are sending out this update to share some information and resources with you.

Measles

Measles is very infectious and can spread from person to person quickly, especially in education and childcare settings. Little can be done to prevent measles spreading if people are unvaccinated. The MMR vaccination is the most effective way to control the spread of measles. Measles is spread by airborne transmission (for example by droplets which are expelled when someone with the infection sneezes or coughs) and direct contact (for example contact with nose or throat secretions).

Some people are considered very vulnerable to severe measles infection. This includes immunosuppressed people, unvaccinated pregnant women and children under the age of one. Children who get measles can be very unwell and some will suffer life changing complications.

Someone who has measles is considered to be infectious from 4 days before they develop a rash to 4 full days after they develop the rash (onset of rash is day 0). They should therefore not attend the setting on public health grounds until at least 4 days after their rash developed.

If you have any questions for the Council's public health team, please email publichealth@lewisham.gov.uk.

[Measles - NHS \(www.nhs.uk\)](https://www.nhs.uk) provides details on the signs, symptoms and treatment of measles and when to seek medical advice.

[Children and young people settings: tools and resources - GOV.UK \(www.gov.uk\)](https://www.gov.uk) an exclusion table setting out how long children and young people need to be off school following a period of illness.

Hand hygiene resources for education settings via e-Bug Home (e-bug.eu)

In school to promote hand and respiratory hygiene we ...

- **Supervise and/or encourage children to wash their hands regularly, using paper towels or hand dryers for drying hands (with wastepaper bin provided for disposal of towels).**
- **Remind staff to wash their hands throughout the day.**
- **Encourage good respiratory hygiene, using and disposing of tissues in the bin, followed by hand washing (Catch it, Bin it, Kill it Poster - Infection Prevention Control)**
- **Home (e-bug.eu) has a range of educational resources for ages 3-16 to learn about microbes, infection prevention and control, antibiotics and vaccination.**

Key Federation Dates

- INSET Day - schools closed to all children - **Monday 1st July**
- End of Term - **Thursday 25th July 2024**

Governing Body

If you would like to attend a Brindishe Federation Governing Body meeting, please email our Chair of Governors, Liz Murphy - lmurphy@brindisheschools.org. Our last meeting of this academic year is on ***Tuesday 16th July at 6pm at Brindishe Lee School.***
